

Report from Competition Secretary for AGM on Sunday 10th January 2016.

During 2015 WBISC organised two 'quarterlies', an 'annual' competition and Festival Trophy Competition.

At the Quarterlies on 28th February 2015 there were 48 entries.

The Festival Trophy on 17th May 2015 had 14 group entries.

At the annual competition on 28th June 2015 there were 47 entries.

At the Quarterlies on 25th October 2015 there were 54 entries.

In general all of the competitions have run smoothly and feedback has also generally been positive.

An area of concern that remains is the need to address the antiquated technology used for scoring and printing of results. Further fund raising will be needed to address this problem.

Dates for future competitions are provisionally:

27th February 2016 – Quarterlies

21st May 2016 – Festival Trophy

16th July 2016 – Annuals

22nd October 2016 – Quarterlies
