

## **Grant Application**

Rules applied to grants issued for British attendance by WBISC (granted fully at the committee's discretion):-

Should the committee decide that Club funds allow, it is the Club's intention to give a grant to WBISC skaters attending the British Championships. The grant will be awarded to skaters who are representing Whitley Bay Ice Skating Club, either wholly or jointly, and the Club must be named on the skater's entry to BIS. The skater must also have represented the Club, either wholly or jointly, in any qualifying event.
